November 1, 8, 15 and 22 noon - 1:00 pm Painting still life with acrylic paint

Make your Own Easel

Registration required, ages 10 and up

Monday, September 29th—7:00 pm

This past winter season was one of the coldest winters in 20 years. The cold weather ushered in snowfalls approaching or surpassing annual all-time record highs in the area. Highway rock salt was in short supply at community level not long after the season began. Salt suppliers were working fast and furious to get salt to entities, but transportation issues hampered their efforts.

For these reasons, salt will be at a premium for us this year. The price has more than doubled from last year. We are asking that you have patience and know that the Village will do all that is possible to keep the streets as clear as possible.

Jackson Township has a vacancy on the Zoning Commission board. This board reviews the zoning resolution for Jackson Township and explores any changes that may be needed to improve the Zoning for Jackson Township Residents. The Board meets approximately two (2) times per year.

You must be a resident of Jackson Township. If you are interested please send a letter to: Jackson Township 49 E. Walnut Street, Farmersville OH 45325.

FIRE HYDRANT TESTING/FLUSHING

Farmersville will be conducting the annual fire hydrant testing and maintenance program this fall. The date has not been set at this time. This program is very important to allow the Village to identify the quantity of water available for firefighting purposes and it serves to rid the Village's water distribution system of accumulations of sedimentation deposits over the past year.

Citizens who experience any unusual water clarity problems after the hydrants are flushed are encouraged to turn on a cold-water faucet outside of the house and let it run for 5 to 10 minutes. This will normally clear up the agitated water from the service line to the home. Sediment can accumulate in the lines which can cause discoloration in laundry. It is recommended to check that both the hot and cold laundry water is clear before washing. A slight decline in water quality is common immediately after fire hydrant testing has occurred.

The Village Offices will be closed:

Monday, October 13

Thursday & Friday, November 27 & 28

Thursday, December 25

January 1, 2015

Village Website: www.farmersville.us

SANTA CLAUS IS COMING TO TOWN DECEMBER 13TH

Celebrate the holiday by joining Santa Claus for lunch on December 13th at the Farmersville Fire House. Santa himself will be spreading holiday cheer from 11 am to 1:30 pm. Skip the hustle and bustle at the mall this year and have your photo taken with Santa. HO! HO! HO!

Jackson Township Board of Trustees:

Randy DeVilbiss, Greg Gillman, and Debra L. Johnson, **Fiscal Officer:** Diana Winkler

Trustee meetings are held on the second Monday of each month at 6:00 p.m. unless otherwise posted. Meetings are held at the Jackson Township Administration building, located at 49 E. Walnut Street, Farmersville OH. All meetings are open to the public.

RUMPKE SCHEDULE:

Thanksgiving Day: Thursday, 11/27/2014

Christmas Day: Thursday, 12/25/2014

New Years Day: Thursday, 1/ 1/ 2015

Waste and recycling service will be delayed one day for the rest of the week.

GET OUT AND VOTE ON NOVEMBER 4TH

Fire Prevention Week

It's Fire Prevention Week—help us sound the alarm that working smoke alarms save lives.

Did you know that many people don't test their smoke alarms as often as they should? When there is a fire, smoke spreads fast. You need working smoke alarms to give you time to get out. Test yours every month.

FARMERSVILLE BEGGARS' NIGHT

Thursday, October 30, 2014

Farmersville Beggars' Night will be observed on Thursday, October 30th, from 6:00-7:30 pm. Costume judging will begin at 7:45 pm at the Fire Station at 207 N. Elm St. Residents, please put on your porch light if you plan to participate. The Village kindly reminds everyone to be extra cautious when driving to ensure that Beggars' Night is both fun and safe for everyone.

LEAF COLLECTION

Leaf collection will begin sometime during the month of September or October depending on the weather. Contact the Village Office for exact date.

As a reminder, **do not** rake leaves into the curb, as this will impede the flow of water in the storm sewers and cause flooding. Please rake leaves to an open area where they are accessible to the street crew, not behind parked cars, mailboxes, trees, shrubs, etc. Leaves mixed with grass clippings will not be removed. Limbs, rocks and other heavy objects must be removed. Farmersville also encourages you to use alternative methods for getting rid of leaves to save collection and disposal costs and to help the environment. Some alternatives are to mulch your leaves or to compost them.

SCHOOL ZONE SPEED LIMIT

With school back in session, remember to watch your speed in the school zones – 30 minutes prior to school, anytime kids are outside (lunch, recess) and 30 minutes after school lets out. It's always a good

idea to watch your speed in school zones regardless of the time due to the after school activities that take place. **Let's keep our kids safe.**

Daylight Savings time ends at 2 am on Sunday, November 2, 2014. Don't forget to set your clocks back an hour before you go to bed.

The Fire Department also encourages you

to change the batteries in your smoke detectors and carbon monoxide detectors when you change your clocks. A working smoke detector more than doubles your chances of surviving a fire in your home.

The 2014-2015 flu season is coming up. It's important to get a flu vaccination soon after it becomes available. A flu shot is the best way to prevent flu and is important for people who are 65 and older, young children, pregnant women and people with chronic health conditions like asthma, diabetes or heart or lung disease..

Rite Aid will host a Flu Clinic on Tuesday, September 23, 2014 from 10:00am to noon at the Village Council Chambers. A flu shot is regularly \$29.99 but most insurances are covering the vaccine 100%. Also available is tetanus and

pneumonia shots which are generally covered 100%.

For questions, please contact the Village office at 696-2020.
