He stated that if officers are concerned that the revived person may become combative they can handcuff them before they administer the drug. He stated that the training is free and that the drug would be provided to the Village at no cost. He stated that the Valley View Drug Free Coalition would like for the Village to send a letter to the Jackson Township Trustees stating the wishes of the Village concerning the Jackson Township Police Department carrying Narcan. The Council stated that the Fire Association does carry Narcan and that they respond along with the Police Department; Mr. Weidle stated that if for some reason the Fire Association was delayed, the Police Department should be prepared to administer the drug. The Mayor thanked Mr. Weidle for attending the meeting and stated that the Village would get additional information from Chief Schade and send a letter to the Jackson Township Trustees.
